

## *Caswell County Schools*

---

Caswell County Schools  
Response to COVID-19  
Updates: March 10, 2022

### **Conducting and Submitting an At- Home Antigen COVID Test**

- **Please read full instructions prior to conducting the At-Home COVID Test**
- **Once the self-collected specimen is taken, the result of the test as determined by the manufacturer's guide can be submitted to the School Nurse starting Monday, March 14th.**
- **To submit results, please complete the following steps:**
  1. **Take a picture of the actual test result (Positive or Negative)**
  2. **Name of the student, date of birth, and grade level**
  3. **Date and time the test was completed**
  4. **Results may be submitted by email, text , or fax**

**If you have any questions, please contact your school nurse.**
