

It is Monday, March 16th at approximately 7:00pm

This message to share with parents and guardians of students in Caswell County Schools about our upcoming feeding program.

As you know, last Saturday, Gov Roy Cooper mandated the closure of schools for students through March 30th due to the state and national coronavirus health crisis. Our staff has been working diligently to prepare lesson packets for each child so that instruction can continue over the course of the two weeks. Your child's principal should be contacting you regarding the pick-up of these materials. If you have questions or concerns, please do not hesitate to contact your child's school.

Also, beginning Wednesday, March 18th, our food service and bus transportation staff will offer free meal (lunch and breakfast) to all children through the age of 18 at eleven different locations throughout Caswell County. These meals will be served daily (Monday through Friday) beginning at 11:00 - 12:00noon as a grab and go. There will be no need to get out of your vehicle during this time with the exception of the three apartment complexes. Your child will be served a Grab and Go Breakfast and Lunch. Since this will be served at mid-day, the grab and go breakfast is intended for the following morning. The feeding sites are in the parking lots of:

North Elementary School

Oakwood Elementary School

NL Dillard Middle School

Meadowview Apartments

Old Farm Apartments

Sunvale Apartments

Southern Caswell Ruritan

High Rock Community Center

Casville Fire Department

Pelham Fire Department

Semora Fire Department

The location of these feeding sites are subject to change based upon participation and community need. Please continue to check the Caswell County School district website for updates.
