

We are excited your child is entering Kindergarten in Caswell County Schools.

Each elementary school has its own letter from the principal welcoming your family into their school family and letting you know the next steps. Please contact the school for the letter. Completed paperwork should be returned to the school your child will attend.

To register for Kindergarten, your child must be five years old before August 31, 2021. For more information on [What to Bring to Kindergarten Registration](#) click here..

Please complete this form to give us needed data such as address and emergency contacts.

Health assessments are required. The child's health assessment must be within one year of the first day of school. For the 2021-2022 school year, a physical taken on August 23, 2020 and thereafter satisfies the guidelines. North Carolina State law requires that a student have a complete record of immunizations (shot record) and kindergarten health assessment. [NC Health Assessment Transmittal Form](#)

We want to learn as much as we can about your child. Please complete this questionnaire to assist us in getting to know your child.
