2. Fire Alarm System Upgrades @ Caswell County Civic Center

Maintenance Director Jerry Hatchett shared information on issues with the current fire alarm system at the civic center. Over the past few months, the situation has gotten worse. The solution is to replace it. The system was installed in the 1970's. The same company needs to continue working with current system so that all units work compatibly.

Upon review and discussion Dr. Carter recommended approval with System Electric Corporation in the amount of \$8,750. Funding will be used from capital outlay miscellaneous revenue noting the reimbursement from damaged awning. A budget amendment will be brought back to the board for approval. Tracy Stanley moved, seconded by Mel Battle to approve the contract with System Electric Corporation in the amount of \$8,750. The motion carried unanimously.

3. Surveillance System @ N.L. Dillard

David Useche reviewed the proposal for surveillance for N.L. Dillard and other areas of the county. The middle school currently has the oldest surveillance system within the schools. This system is only available for use at the site and cannot be used remotely. Currently Mr. Useche has received two proposals. VideoInsight Server was reviewed and estimates for possible updates for other sites after the initial implementation of VideoInsight. The cost of the license is included.

Dr. Carter felt that with upcoming renovations we should hold off on BYHS. One area Dr. Carter felt that needed additional coverage is the central office. Upon discussion, Dr. Carter recommended approval of surveillance proposal for N.L. Dillard as well as the central office. Tracy Stanley moved, seconded by Donna Hudson to approve the proposal with VideoInsight for N.L. Dillard and the addition of six cameras at the central office. Total amount will be \$37,132.54. Budget amendments will be brought to the board. The motion carried unanimously.

Discussion took place regarding who will have access to view the camera(s).

5. Policy # 703, Contracts for Certified Personnel

Dr. Carter shared updates for policy # 703 noting changes from the state regarding career status. The changes include requirements for teacher performance expectations as well as changes from the state for length of contract, dismissal and nonrenewal. Upon review, Dr. Carter recommended approval of first reading for Policy # 703. Ross Gwynn moved, seconded by Donna Hudson to approve first reading of Policy # 703 as presented and to lie on table for a second reading.

Mr. Battle expressed concerns with "A-F," especially "F." It looks as if teacher may not receive multi-year contract based on principal transitions. This needs to be looked at before making final decision.

Sylvia Johnson questioned timeline for contract renewals. Dr. Carter and Nicole McGhee will begin looking at current contracts and investigate item "F" or reword to protect teachers in the event of a change in principal and bring back changes for the second reading. Upon no further discussion, the motion carried unanimously.

V. REPORTS/UPDATES

Teacher Supplement

Dr. Carter shared information on teacher supplement for teachers. A chart was shared including the 2.5% of annual salary. Teachers who met the qualifications will be paid the first half in December and the second half in June.

Mr. Battle questioned the "start date" on the report noting the information is not correct. Mr. Teetor wasn't sure if this was the date that was in LINQ. Amount is based on rate of pay and years of service. Supplement is calculated on annual salary and if the dates are incorrect it should not affect the amount of pay they are to receive.

Dr. Carter recommended approval of the teacher supplement as presented. Mel Battle moved, seconded by Tracy Stanley to approve the teacher supplement as presented. The motion carried unanimously.

Non-Instructional Staff / Bonus Proposal

Dr. Carter reviewed a proposal for employees who do not receive a supplement. All employees make a difference for our schools and this will make a difference to our employees that they are valued. Several scenarios were reviewed for full time and part time employees. The listing does not include substitutes.

Discussion took place regarding who actually received the bonus. Mrs. Nicole McGhee shared information from past years.

Mel Battle moved, seconded by Tracy Stanley, to approve Option B bonus for non-instructional staff based on the personnel that was included in the last time the bonus was given noting \$300 for full time and \$200 for part time excluding those that will currently receive a supplement. Dr. Carter will review and if changes need to be made, Dr. Carter was instructed to poll the board. The motion carried unanimously.

Funding will be used from fund balance. An electronic check will be used versus an actual check. Mr. Teetor will create a memo to share with staff to inform them of the bonus. Mrs. Hudson suggested including in the memo the reason for electronic checks. Tentative date of payment is December 1st.

Mr. Battle questioned past issues with checks and not being able to cash the check. Mr. Teetor noted "positive pay." There have been no other issues as far as he is aware.

VI. SUPERINTENDENT UPDATES

• Dr. Carter shared survey results for valedictorian/salutatorian. The majority (56%) was in favor to change to Latin honors. There was no control over how many times an individual could complete the survey. Based on the fact that this year's juniors could have multiple valedictorians/salutatorians we will need to move forward with the Latin honors. At graduation all honors will continue to be recognized. Several options are available to move forward and will need to discuss further. Dr. Carter recommended approval of moving forward with the Latin honor system beginning with the Class of 2018/2019. Tracy Stanley moved, seconded by Sylvia Johnson to approve moving forward with the Latin honors beginning with the class of 2018-2019.

Mr. Gwynn questioned what the significance is? Dr. Carter shared that the state moved to a 10-point grading scale. The classes after 2018-19 are familiar with the new grading system and there will be multiple students with same grade point averages. Most districts have moved in this direction.

Mel Battle personally didn't feel the need for the change. Looking at the comments it appears that the two distinctions are still desired in the community. Mr. Battle would like to see how many of the systems have made the change before a final decision is made. Class rank and GPA should still be considered. Dr. Carter understood the concerns and felt that we could poll other counties and withdraw the recommendation

until more information can be gathered. If the move goes forward, Mrs. Hudson noted that we need to provide workshops, forums, etc. to make the community aware.

Tracy Stanley withdrew her motion and Sylvia Johnson withdrew the second to the motion. At this time no action was taken.

VII. CLOSED SESSION

Mel Battle made a motion to go into closed session for the purpose of considering a personnel action that involves an officer or employee of this Board (NC General Statute 143-318.11(a)(6); and for the purpose of discussing information that is privileged, confidential or not a public record (NC General Statute 143-318.11(a)(1) and to confer with legal counsel after a five minute break. Tracy Stanley seconded the motion. The motion carried unanimously.

VIII. OPEN SESSION

Ross Gwynn made a motion to return to open session. Sylvia Johnson seconded the motion. The motion carried unanimously.

IX. PERSONNEL LISTING

Dr. Carter recommended approval of the personnel listing as presented. Sylvia Johnson moved, seconded by Tracy Stanley to approve the personnel listing as presented. The motion carried unanimously.
