PROMOTING STUDENT NUTRITION - HEALTHY SCHOOL ENVIRONMENT

Caswell County Schools recognizes the importance of nutrition to student physical health, growth and development. Healthful, balanced food choices provide well-nourished students the opportunity to actively participate in the educational experience. **Healthier life-style choices and balanced food choices benefit each student, their classmates, the school environment and the community as a whole.**

- In an effort to promote student wellness:
Caswell County Schools does not allow “fast-food” promotion and packaging during student dining experiences.
- If a meal from a fast food establishment is provided from home for student breakfast, lunch or snack, it is the policy of Caswell County Schools that the food not be packaged in restaurant wrappers and/or containers.
- Caswell County Schools also recognizes how children are greatly influenced by the daily actions of their role models. Therefore, this policy also applies to all school staff and school visitors.
