Volunteer Opportunities

Caswell County Schools is aware of the value of community involvement through the use of volunteers in the school system and the important role that volunteers play in making our schools a success. In order to assure a safe environment for our students, individuals must be approved by the school system before being allowed to serve.

All volunteers will be asked to complete an application and a volunteer profile sheet. Once an individual is approved to volunteer, he/she will receive a badge at his/her respective school.

Individuals can be approved at two different levels (i.e., Level I or Level II). The level of volunteer screening will increase as a volunteer's contact with student's increases and the degree of staff supervision decreases.

There are two levels:

Level I- only requires the signature of the school principal and is intended for activities that do not involve supervision of students, such as but not limited to, resource speaker, clerical work, outdoor projects, classroom assistant: copying and making materials, PTA/PTSO fundraisers/activities, athletic concessions, field day volunteer, school fair, and test proctor, etc. This level allows individuals to work in the presence of staff members or other approved adults.

Level II- requires a criminal records background check and the Superintendent's approval. This level is intended for individuals who may be involved in supervising students, such as but not limited to, PTA/PTSO officers, tutors, mentors, field trip chaperones or dance chaperones, volunteer coaches, Book Fair coordinator and/or media assistant, reading a book with a student, and club sponsors, etc.

All continuing volunteers approved for the 2014-2015 school year **MUST** complete/update their volunteer profile and complete a criminal background check, contingent of the volunteer level, by October 31, 2015.

Any new volunteers must complete the appropriate documents and must be approved before volunteering with students.
