Spring Semester 2024

Elementary Battle of the Books Competition

The Battle of the Books competition may have been in a new location this year, but the battle was just as fierce! Teams from each of the elementary schools met at central office to face off in knowledge of books selected by the Battle of the Book sponsors.

Over the course of the year, students read eight different books and prepared for the competition by memorizing titles and authors and participating in practice rounds. Students worked to get ready both at school and at home.

Congratulations goes to Oakwood Elementary for winning Caswell County's Battle of the Book competition!

We would like to thank our sponsors and those that helped them, as their coaching efforts were very apparent. North: Mauriah Smith and Katie Louhoff Oakwood: Amanda Haney. South: Tawana Sweets. Stoney Creek: Casey Evans.

Attention, Rising Juniors.

Are you looking for a leadership and academic opportunity to add to your resume for college applications? Are you interested in learning without worrying about grades or test scores? If so, the NC Governor's School may be for you!

Be on the lookout for the applications that come out in the fall.

Did you know that Bartlett Yancey students who meet qualifying criteria have the ability to take college classes at Piedmont Community College for free while enrolled at BY?

Career and College Promise is a program sponsored by the NC Department of Public Instruction. Participating students earn college credits that can transfer to any of the UNC system schools.
