### What to Bring to Kindergarten Registration

1. **Proof of Residence:** Documentation of residency (name and address) in Caswell County is required to register a student. Acceptable documentation includes current: lease, utility bill, final real estate contract, deed, or contract to purchase. We also request a photo ID of the parent/guardian, such as a driver's license.
2. **Proof of Child's Birth Date:** Bring a certified birth certificate. A copy will be made at the school and put in the child's records.
3. **Immunization Record (from a family doctor or Health Department):** A copy of the child's immunizations (shot record) must be presented to the school.
4. **NC Health Assessment Report (to be filled out by a physician within 30 days):** The report must be completed by a physician licensed to practice medicine, a physician's assistant as defined by General Statute 90-18, a certified nurse practitioner, or a public health nurse meeting state standards for Health Check Services.

The child's physical must be within one year of the first day of school.

North Carolina State law requires that a student have a complete record of immunizations (shot record) and kindergarten physical assessment within 30 calendar days of enrolling in school. Noncompliance will result in student suspension until this information is provided to the school.

5. **North Carolina Home Language Survey Form:** Complete all information requested on the survey form. Sign and date the form.
6. **CCS Student Registration (Data) Form:** Complete all information requested on the form. Sign and date the form.
7. **CCS Kindergarten Parent Questionnaire:** Complete all information requested on the form. Sign and date the form.
8. **Medical or Health Concerns:** Please contact the nurse at your child's school if your child has any medical or health concerns. We want to ensure we understand your child's needs.
9. **Guardianship or Custody Papers:** Supply if applicable.

**Return all completed forms to the school. Your child's registration packet will be processed and you will be notified as to whether the packet is complete or incomplete.**
